REASONS FOR ALLOWANCE

1. Claims 10, 11 and 17 are allowed.
2. The following is an examiner's statement of reasons for allowance: The primary reason for allowance of claims 10, 11 and 17 are the limitations found in these claims for an indicating means that subdivides a selected camera frame portion and evaluates a raster formed by comparing different light field properties to determine whether the intra oral camera is in the proper picture taking position. The prior art does not teach such in an indicating means in combination with the other claimed elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
